

Love Your Heart with Lipton

TEA can help you make the most of every day.

It gives you the uplift you need to
stay focused and embrace whatever comes your way.

BLACK AND GREEN TEA can help support a **HEALTHY HEART**

A daily consumption of between 200-500mg flavonoids can help **maintain a healthy heart** as part of a diet consistent with dietary guidelines.

TEA keeps you **HYDRATED**

The first ingredient in tea is water, which is needed by your body to run at its best.

Tea is **99.5% water** making it just as hydrating and refreshing as water.^{1,2}

Unsweetened **GREEN AND BLACK TEA** contain **ZERO CALORIES**

Choosing beverages with **no added sugars** in place of sugar-sweetened beverages can contribute to a healthy diet consistent with dietary guidelines.⁶

Tea can be a **major contributor of FLAVONOIDS** in the diet.

Flavonoids are found in tea, wine, cocoa, fruit and vegetables.^{3,4}

GREEN AND BLACK TEA contain **LESS CAFFEINE** than coffee.*

THEANINE is an amino acid **almost unique to tea.**

*Green tea has 28mg of caffeine per cup and black tea has 47mg per cup. Brewed coffee has 95 mg per cup.⁷

Lipton

Infuse your life with easy, everyday well-being!

Looking for a fruity & floral pick me up?

This tropical treat will not only **refresh and reinvigorate**, but can also help **SUPPORT A HEALTHY HEART**.

TROPICAL PASSION GREEN ICED TEA

1 serving Prep Time: 5 minutes

- 2 bags Lipton® Green Tea with Orange, Passion Fruit & Jasmine (contains approx. 90 mg flavonoids per cup)
- 1 cup boiling water

- 1 cup ice
- 1 kiwi
- ¼ Orange
- 1 sprig fresh sage leaves

Pour boiling water over Lipton® Green Tea with Orange, Passion Fruit & Jasmine in an 18-24 oz. glass. Brew for 4 minutes. Remove tea bags and add ice. Peel, slice, and add kiwi to glass. Squeeze orange into glass. Garnish with sage.

Muddle, stir, enjoy!
